## Work History

2018-01 -

Current

### Music Producer

*Freelance*

- Efficiency in Mixcraft (DAW)
- Independently wrote, produced, recorded, and released solo album and multiple singles.
- Handled requests for specific musical selections.
- Transcribed musical compositions and melodic lines to adapt to particular group or create specific musical style.
- Selected and arranged music for performances and special events.
- Determined voices, instruments, harmonic structures, rhythms, tempos and tone balances required to achieve effects desired in each musical composition.
- Transposed pieces from one instrument to another and one key to another to accommodate client and musician preferences.
- Collaborated with performers and producers to determine and achieve desired sound for production.
- Attended regular practices and private lessons to hone skills.
- Rewrote original scores to adapt to different musical genres and styles.
- Wrote and arranged pop, folk, and classical music in original styles.
- Worked well in multiple team settings, providing participation, support and guidance.

2006-01 -
